### 2. BASIC ELIGIBILITY CRITERIA

I meet the eligibility criteria for the Selected Reserve Educational Assistance program authorized in Chapter 1606 of title 10, U.S. Code, as follows:

- a. On or after October 1, 1990, I have agreed to serve six years in the Selected Reserve. If I am an officer, I agree to serve in the Selected Reserve for six years in addition to any other period of obligated Selected Reserve service I am required to perform.

- c. I have completed Initial Active Duty for Training (IADT), if required.
- d. I am not receiving financial assistance under Section 2107 of title 10 U.S.C. (ROTC Scholarship).

### 3. SATISFACTORY PARTICIPATION

My basic eligibility to educational assistance benefits depends upon serving satisfactorily the complete 6-year term in the Selected Reserve as prescribed by military regulations. Failure to participate satisfactorily in required Reserve training means I will not be eligible for any benefits from the date of the unsatisfactory participation. If I fail to participate satisfactorily as a member of the Selected Reserve, I understand I will permanently lose all entitlements under this program and may be:

- a. Ordered to involuntary active duty for a period of up to two years or the period of my obligated service remaining, whichever is less, or
- b. Required to refund to the United States part of the money received from the Department of Veterans Affairs (VA) plus accrued interest for educational assistance under this program. Any refund I may be required to make does not affect my obligation to complete my service agreement.

# GI Bill (Selected Reserves)

- Available to you if you are a member of the Selected Reserve. The Selected Reserve includes the Army Reserve, Navy Reserve, Air Force Reserve, Marine Corps Reserve and Coast Guard Reserve, and the Army National Guard and the Air National Guard.
- VA makes the payments for this program.
- If your eligibility to this program began on or after October 1, 1992, your period of eligibility ends 14 years from your beginning date of eligibility, or on the day you leave the Selected Reserve.
- If your eligibility to this program began prior to October 1, 1992, your period of eligibility ends 10 years from your beginning date of eligibility, or on the day you leave the Selected Reserve.

# GI Bill (Selected Reserves)

- Print a copy of your Notice of Basic Eligibility (NOBE) at

<https://www.nationalguardbenefits.com/Unsecured/Login.aspx?ReturnUrl=%2fEBOHome.aspx>

# GI Bill (Selected Reserves)

One exception:

if mobilized (or recalled to active duty from reserve status), eligibility may be extended for the amount of time soldier is mobilized PLUS four months.

Eligibility:

- Have a six-year obligation to serve in the Selected Reserve signed after June 30, 1985.
- Complete your initial active duty for training (IADT);
- Meet the requirement to receive a high school diploma or equivalency certificate before completing IADT.
- Remain in good standing while serving in an active Selected Reserve unit.

# GI Bill (Selected Reserves)

- DD Form 2384-1, Notice of Basic Eligibility, given to soldier by the unit.
- You should then make sure that your selected program is approved for VA training. If you are not clear on this point, VA will inform you and the school or company about the requirements.
- Obtain and complete VA Form 22-1990, Application for Education Benefits. Send it to the VA regional office with jurisdiction over the State where you will train. (e.g. if you live in Nevada, contact OK VA)
- If started training, take application and Notice of Basic Eligibility to the school or employer. Ask them to complete VA Form 22-1999, Enrollment Certification, and send all the forms to VA.
